

REACH Compliance Declaration

Based on the information available to us from our suppliers and to the best of our knowledge, we can confirm and declare that the articles we supply are compliant to the REACH regulation EC 1907/2006 and the current ECHA **224** substances of very high concern (SVHC) from the **10th June 2022** REACH candidates list.

We are not a manufacturer or importer of substances but as a downstream user we will ensure we carry out suitable due diligence measures and collect supplier declarations and information for REACH through our quality management system.

We will ensure substances are used in a safe way and where applicable we will apply suitable risk control measures for exposure scenarios.

Our customers will be responsible for supplying the BOM's and manufacturing information used for the assembly of products, ADAPT ems will ensure consumables used in the process of products are REACH compliant.
