

Policy and Declaration

Restricted Substances

POPs: *Regulation (EU) No 2019/1021 of the European Parliament and of the Council of 20 June 2019 on persistent organic pollutants (as amended), and the UK Persistent Organic Pollutants (POPs) Regulations (as amended).*

Proposition 65: California State Legislature *Safe Drinking Water and Toxic Enforcement Act of 1986*

RoHS: *Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (as amended), and the UK Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations (as amended).*

REACH: *Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency [ECHA], amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC, and UK REACH (as established under the European Union (Withdrawal) Act 2018 and subsequent amendments).*

The ECHA Candidate List of Substances of Very High Concern defines 251 SVHCs as of November 2025, and the UK REACH Candidate List is aligned with the EU list, with ongoing independent updates by the UK Health and Safety Executive (HSE).

TSCA: United States *Toxic Substances Control Act of 1976.*

As a Contract Electronics Manufacturer, ADAPT ems is not a manufacturer or distributor of any of the substances in scope of the regulations above. Furthermore, ADAPT ems does not have responsibility for any formal exemptions, CE marking, UKCA marking, or placing products on the market.

That is, ADAPT ems procures and manufactures in accordance with customer specifications: regulatory compliance of the specified materials and any requirements for labelling, information or reporting remain the responsibility of the customer.

However, we take reasonable measures to ensure procurement and handling of consumable materials used in manufacturing are compliant with both EU and UK regulations. We hereby declare in good faith that the products supplied by ADAPT ems are free of any of the affected substances at quantities/concentrations above the regulated levels.

For and on behalf of ADAPT ems Ltd,

Mark Greenwood, Head of Engineering
